Introduction

Baby Blessing children's home has been our adopted home since 2018

The Home is located in Umoja/Tena Areas near Jeska Supermarket

The children's Home has kids that are rescued from streets, abandoned in the hospitals, and others are found thrown away etc.

The kids are therefore taken care of until they are able to stand up for themselves.

The Home currently has 69 Kids at the moment however we only meet only 40 as the rest are in school.

The kids are aged from 7 months to 17 Years Old

Our Purpose of Visit is to impact the kid's and empower them in different perspectives, as we check up on them as see their progress from where we left last year:

We also aimed in achieving the goals as below:

- SDG 1 - No Poverty
- SDG 2 - Zero Hunger
- SDG 3 - Good Health and Well Being
- SDG 4 - Quality Education
- SDG 5 - Gender Equality

SUMMARY

Activities

During the days, we engaged in various activities with the kids. Below is a highlight of the activities we did with them:

- Fun sessions - Including singing, dancing, acting, and poetry
- Soap Making
- Mentorship
- Art session /Face Painting
- Sharing God's word.

- Photo sessions

Was it a Success?

Judging by the fun-filled activities, donations, and mentorship sessions we carried out with the kids, we can say that indeed it was a (Nipe Tabasamu, Nipe Upendo affair as it could be seen on the kids' faces.

Through the mentorship sessions, we trained the home matrons on soap making as a way of empowering them on sustainability.

We played creative games with the kids, to encourage them to be creative and intelligent, we did a face painting activity, Feed the young babies. Helped in preparing their dinner, washed the babies clothes and cleaned the compound

We also had time to share with the kid's fruits and snacks.

We therefore sang, prayed and departed. It was indeed a fulfilling day.
